# LABORATORIOS ARGENOL

EXPORTING SILVER-BASED PRODUCTS ALL OVER THE WORLD SINCE 1939

LABORATORIOS ARGENOL SALES AREA - **60 COUNTRIES**

## About Laboratorios Argenol

**Laboratorios Argenol** is a traditional company manufacturing since 1939 silver active ingredients for cosmetic, pharma and industrial markets.
Our mission is to create ingredients that maximize the performance of our customers' products through unique, precious and sustainable cost.
We see our future in continued growth by developing and launching new products in different fields. Our team is divided between the two facilities of 22.000 sqm that we have in Zaragoza, Spain.
Laboratorios Argenol has GMP certificates for most of the silver active ingredients sold in pharma industry.
Laboratorios Argenol keeps the traditional spirit provided by over 75 years of experience, with the aim of the everyday innovation.
